

Arista de Cascada

2x20m abseil

Arista de Cascada

First ascent: Kai Maluck and Clemens Pischel, January 12th, 2014

Gear: 60m single rope, 11 quick-draws, maybe slings and a few friends

Access: Follow any of the hiking trails towards the foot of the Cascada de Basaseachi. Immediately before reaching the open plain in front of it, the path passes another, much smaller waterfall. 20m behind it, the route starts at a belay with two bolts. Alternatively, e.g. in wet conditions, one can also start at the beginning of pitch 3 or at "The Window" between pitches 6 and 7. All belays (except for "The Window") are equipped with two bolts.

Accommodation: e.g. Rancho San Lorenzo, tel. 00526142398537 or 005216351045729
